

RE:Pappas Telecasting Cos \$325,000 donations  
to Republican candidates in California.  
Understand "in kind" donation to one  
party, without equal treatment for other  
part(ies) is illegal -- or if not illegal  
violates obligation to serve the public  
interest. Respectfully request you  
IMMEDIATELY 1) review the facts surrounding  
this issue; 2) issue a cease and desist order  
if warranted; and 3) prevent it from happening  
again within the U.S. Thank you.
